

# The Ivy Leaf

June 21, 2020

## **Welcome...**

to St. Matthew's. We're delighted to worship with you this morning, whether this is your first time here or your thousandth. The Episcopal tradition values all parts of the human person—heart, mind, and soul. We believe that all three are gifts from God, and God both sustains them and invites us to use them in God's service. Our passionate emotions, our questions and searching, our yearning for something deeper—God values them all, because God values all of us. Wherever you are on your journey in life, we hope you find something in this community that feeds your soul and strengthens you to share in God's work in the world.
